Dear Chair DeFazio and Ranking Member Graves:

I am requesting funding for Pioneer Parkway Reconstruction in surface transportation reauthorization legislation.

The project sponsor for this project is the City of Peoria and the project is located at Pioneer Parkway Road in Peoria, Illinois 61615.

The funding is designated for reconstructing the intersection with Allen Road and portions of Allen Road to accommodate the extension of Pioneer Parkway west to IL91 in a future project, along with reconstructing intersections at Harker and University Street.

The project is an appropriate use of taxpayer dollars and is anticipated to have the following benefits: reconstruct Pioneer Parkway as an urban corridor providing safe travel for pedestrians, bicyclists, and vehicles. The storm drainage system of the reconstructed street will reduce runoff volume and pollutants.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in black ink that reads "Darin LaHood".
