Congress of the United States
House of Representatives

April 27, 2021

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for a community funding project in fiscal year 2022.

The entity to receive funding for this project is The City of Quincy located at 706 Maine Street in Quincy, Illinois 62301.

The funding would be used to implement the Riverfront Master Plan to transform the riverfront from a passive area used for walking, sight-seeing, and small gatherings to a dynamic community gathering place and a welcoming gateway to the community and the region as a whole. The city's request for Community Project Funding targets three projects: The Burial of Ameren Illinois' Overhead Lines along the Quincy Riverfront, the Construction of a Cruise Ship Dock, and the Construction of a Parking Lot next to the Cruise Ship Dock.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in black ink that reads "Darin LaHood". The signature is written in a cursive style with a horizontal line underneath it.

Darin LaHood
Member of Congress
