House of Representatives

April 27, 2021

Dear Chair DeFazio and Ranking Member Graves:

I am requesting funding for Woodford County Highway 13 in surface transportation reauthorization legislation.

The project sponsor for this project is the Woodford County Highway Department and the project is located at Highway 13, US 24 to IL 116/117 in Roanoke, Illinois 61561.

The funding is designated for widening and re-surfacing the highway and some highway re-alignment.

The project is an appropriate use of taxpayer dollars and is anticipated to have the following benefits: more efficient movement of commuters and goods, improving safety by widening the highway to current design standards, improving access, not only for larger over-the-road shipping vehicles, and providing an 80,000lb truck route with all-season access within a continuous north-south major collector.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in black ink that reads "Darin LaHood". The signature is written in a cursive style and is positioned above a horizontal line.
