The Honorable Rosa DeLauro

Dear Chairwoman Granger and Ranking Member DeLauro:

I request community project funding for the Eureka Downtown Streetscape Improvements project in fiscal year 2024. The entity to receive funding for this project is the City of Eureka, located at 111 W. Court St., Eureka, Illinois 61530. The funding will be used to fund a downtown revitalization project specifically rebuilding the downtown streets of Main St. and Center St. in Eureka, Illinois. The project is an appropriate use of taxpayer funds because it will further improve accessibility and safety for residents of Eureka and visitors of the business district. Enhancements to downtown Eureka will strengthen the business district's identity and support the small business economy.

The project has a federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(1).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Darin LaHood
Member of Congress
