Dear Chair DeFazio and Ranking Member Graves:

I am requesting funding for Cameron Lane in surface transportation reauthorization legislation.

The project sponsor for this project is County of Peoria and the project is located at Cameron Lane, Peoria, IL 61607.

The funding is designated for improvements to the pavement cross-section and shoulders of the 8.2 miles of Cameron Lane.

The project is an appropriate use of taxpayer dollars and is anticipated to have the following benefits: the road is a critical path for hauling grain to the grain processing facilities along the Illinois River in both Peoria and Tazwell Counties. Additionally, Cameron Lane serves as the main route to the Better Earth Premium Compost facility, Limestone Walters School District 316, and Coyote Creek Golf Club. Cameron Lane also serves the Peoria Motorcycle Club which hosts several motorcycle races each year that bring thousands of race fans to the region.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in black ink that reads "Darin LaHood". The signature is written in a cursive style with a horizontal line underneath the name.
