The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations

Dear Chairwoman Granger and Ranking Member DeLauro:

I request community project funding for the Radnor Road Complete Street Corridor Plan Phase I Engineering project in fiscal year 2024. The entity to receive funding for this project is the County of Peoria, located at 324 Main Street, Peoria, IL 61602. The funding will be used to complete NEPA documentation, including preliminary design and planning, for Radnor Road, a vital north-south connector for the City of Peoria. The project is an appropriate use of taxpayer funds because it will improve safety, increase economic development, and expand transportation accessibility for Peoria county residents.

The project has a federal nexus because the funding provided is for purposes authorized by 23 U.S.C. 133(b).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Darin LaHood
Member of Congress
