Relevant Resources

Grant Opportunities Newsletter

Congressman LaHood's e-newsletter is sent at the beginning of each week with federal grant opportunities that were introduced and opened on www.grants.gov within the previous week.

Community Project Funding

Members of Congress may request funding for specific projects in their communities, so long as the projects have a federal nexus and meet other requirements established by federal law, House Rules, and the Committee to ensure only high-quality projects are requested and funded.

Letters of Support

Congressman LaHood's office accepts requests for a letter of support for grant applications.
