The Honorable Rosa DeLauro
Chairwoman

The Honorable Kay Granger
Ranking Member
House Committee on Appropriations
1036 Longworth HOB
Washington, D.C. 20515

Dear Chair DeLauro and Ranking Member Granger:

I am requesting community project funding for the Western Avenue Community Center Building Expansion in the Fiscal Year 2023 Transportation, Housing and Urban Development, and Related Agencies legislation.

The entity to receive funding for this project is the Western Avenue Community Center, located at 600 N. Western Avenue, Bloomington, IL 61701.

The funding would be used to expand upon and increase the effective use of the Western Avenue Community Center building in Bloomington, Illinois. This project would be a valuable use of taxpayer funds because this proposed project would improve the Center's ability to support the community through an increase of additional community outreach programs such as social services assistance, childcare, mental health services, recreational programs, and interpretation and translation services for the entire community of Bloomington, Illinois.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Darin LaHood
Member of Congress
