The Honorable Kay Granger  
Chairwoman  
House Committee on Appropriations

The Honorable Rosa DeLauro  
Ranking Member  
House Committee on Appropriations  
1036 Longworth HOB  
Washington, D.C. 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I request community project funding for the Iowa Avenue Roadway project in fiscal year 2024. The entity to receive funding for this project is the City of Streator, located at 204 S. Bloomington St., Streator, IL 61364. The funding will be used for the removal and replacement of the failing roadway between the 100 to 900 blocks of Iowa Avenue. The project is an appropriate use of taxpayer funds because it will support the maintenance of a vital section of Streator's truck route system and improve accessibility for a roadway used by both commercial and residential traffic in the City of Streator.

The project has a federal nexus because the funding provided is for purposes authorized by 23 U.S.C. 133(b).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Darin LaHood  
Member of Congress
