Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for a community funding project in fiscal year 2022.

The entity to receive funding for this project is Illinois College located at 1101 West College Avenue in Jacksonville, Illinois 62650

The funding would be used to create a Master of Science in Nursing (MSN) Program, an online program for students holding a Bachelor of Science in Nursing (BSN). The creation and implementation of this online MSN program will further promote nursing workforce development by preparing graduates to be healthcare leaders and nurse-educators. This online program will be accessible in Illinois and across the U.S.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in cursive script that reads "Darin LaHood".
