The Honorable Rosa DeLauro

The Honorable Kay Granger
Ranking Member
House Committee on Appropriations

Dear Chair DeLauro and Ranking Member Granger:

I am requesting community project funding for the Somerset Drive Multi-Use Path in the Fiscal Year 2023 Transportation, Housing and Urban Development, and Related Agencies legislation.

The entity to receive funding for this project is the Village of Germantown Hills, located at 216 Holland Road, Germantown Hills, IL 61548.

The funding would be used to construct a multi-use path along Somerset Drive from Westminster Road to Arbor Vitae in Germantown Hills, Illinois. This project would be a valuable use of taxpayer funds because this proposed project would provide a significantly safer path for students, walking and biking, to and from Germantown Hills School. A multi-use path is necessary to address safety concerns with the number of students walking and biking to school each day. The multi-use path can be expected to increase the safety of students walking and bicycling to school and after-school activities and decrease the potential for child traffic injuries or fatalities.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Darin LaHood
Member of Congress
