U.S. Secretary of Transportation

Washington, DC 20590

Dear Secretary Chao,

I write today in support of the Greater Peoria Mass Transit District's grant application for FTA 5339(c) Discretionary Low or No Emission Bus Program.

Should the Greater Peoria Mass Transit District receive funding through the grant program, it will be able to purchase two electric zero-emission buses and a charging station. This will further the shared goal of transitioning to a fleet of more energy efficient transit vehicles.

I appreciate your consideration, and urge support for this application. If you have any questions, please do not hesitate to contact myself or my office.

Sincerely,

Darin LaHood  
Member of Congress
